

# 2011 Summer Reading Program For Incoming Third Graders

## Steps to Successful Reading This Summer...The Appoquinimink Way

- 1) Read for at least one hour every week.
- 2) Record your reading on the Reading Log provided by the district.
- 3) Fill out the Venn Diagram (located on the back of the reading log) comparing two books that you read.

The following are individual titles that Appoquinimink teachers suggest. The picture books selected have historical themes or topics about character development appropriate to a third grader. Short chapter books have also been included so that children can start to read books without pictures. At the bottom of the list, suggested authors and series have been offered. You may also choose a book by any author that has been cited on this list. Enjoy reading with your child this summer.
